

WSRHA Youth

The Western Slope Reining Horse Association youth board is having a very busy summer. We have recently been trying to boost up the youth and form a youth organization. There is work being done to get a youth scholarship program in place for next year and maybe even a youth derby for the next year fall show.

For the next show in August, Saturday, will be Youth Day with activities for the youth riders. Our goal is to make the August show have more youth involvement and have the youth be more recognizable. We are planning to have a youth volunteer day where the youth will work the gate. We are also planning the youth to host a potluck dinner on Saturday, Aug. 23rd with fun games and good food. Watch your mail for information about the potluck and plan on having a good time.

Any youth interested in signing up or with ideas, should contact Samantha Belcher (sbbudhaboots@sopris.net) or 970/963-9870.
